

Part 2166

Replacement microphone cover kit

Instructions and Warranty

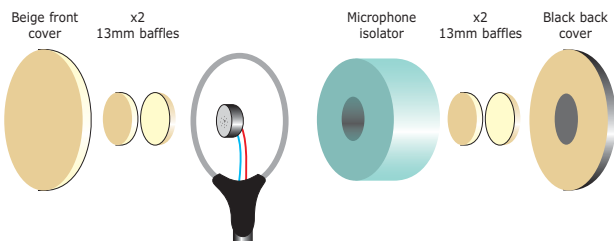

It is **very important** that you fully read and understand all of these instructions before installation and use.

Please take extreme care when removing old covers as damage to the microphone or wires will not be covered under the 30 day warranty.

Do not attempt to solder or modify wires onto the microphone.

Contact Autocom service department on 01926 431249.

If the cover kit is for use on our older microphones (Pro 9, Pro 10 and Pro 3000), then only use one baffle on each side.

ONLY for use with Autocom domestic systems
